

# Global support network

for investor and business migration

Victorian nominated investors and business migrants can access support and information from a global network of Victorian Government Business Offices in 18 locations, including access to dedicated Significant Investment Managers.

## Global support network

### for business and investor migrants

Helpful information and referrals to support migration, business and investment activities in Victoria includes:

- dedicated relationship managers during the migration journey
- information on Victoria's visa nomination and complying investment requirements
- information about trade and investment opportunities in Victoria
- further support, referrals and introductions in Melbourne on request.

### for migration and financial services providers

Support for Victorian-based financial service providers and other businesses working in key markets includes:

- information on Victoria's visa nomination and complying investment requirements
- offshore market insights and introductions
- promotional opportunities including roadshows, presentations and events.
